VanDutch 56 World Première in Genoa

Genova International Boat Show will be the perfect location to get to know the brand-new VanDutch 56. Cantiere del Pardo brings to the water the fourth model of the range since the acquisition of the VanDutch brand in 2020 : in terms of size it stands between the 48 and the 75.

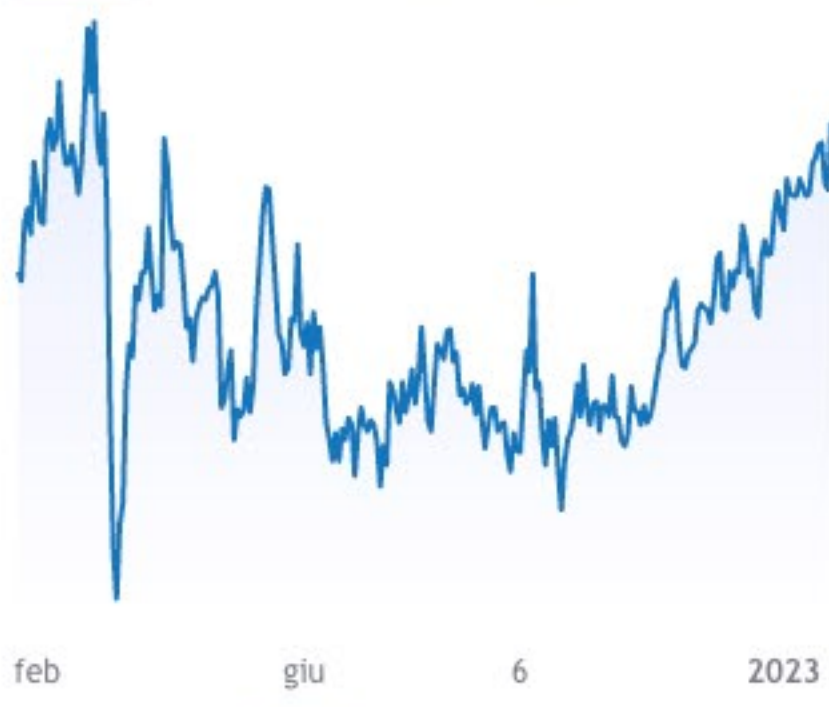

Getting on board the new VanDutch 56 is a desire to escape from the daily routine, a desire to be seduced by the charm of the sea, taking advantage of the large volumes on deck to relax in the lounge areas and move safely between the generous outdoor spaces of the boat. Come and discover the luxury of freedom!
