MONTAGE LOS CABOS
CABO SAN LUCAS, MEXICO

Montage Los Cabos, the premier beachfront resort overlooking the Santa Maria Bay, debuts a new collection of accommodations with private pools, as well as a new Twin Dolphin I Yacht, a custom 56 ft. yacht made in partnership with VanDutch. Blending natural beauty with authentic Mexican culture, Montage Los Cabos is an idyllic sanctuary perched upon the premier beachfront in the destination.

Newly upgraded, 36 of the resort's rooms, ranging from studio to three-bedroom suites, will now feature their own private pools, honoring the resort's tradition of indoor-outdoor living.

Adding to the suites' current patio and lawn areas, this accommodation will provide access to an increasingly luxe oceanfront living experience.

Curated to provide best-in-class privacy, families, friends, and couples alike can enjoy a dip in the tranquil waters or opt to bask in the warm, Mexican weather, with coastal views of Baja without disruption.

In addition to the resort's long list of excursions and grand experiences, the resort's brand-new Twin Dolphin I Yacht offers access to a cruise experience like never before.

Impeccably designed, this sleek and contemporary vessel combines style with performance and provides an extraordinary experience for up to ten guests.

On the foredeck, sunbathing and lounging areas are available, while the cockpit offers minimalistic designed dining spaces.

Guests are invited to embark on Montage Los Cabos'

VanDutch yacht, a modern vessel suitable for large parties equipped with a slew of unique, luxury accommodations. With three available tour options, that range from four to six hours in length, the resort is now delivering a round-trip exploration opportunity with sights of Los Cabos' coastal desert landmarks and sea life.

Meeting the needs of adventure seekers, snorkeling and swimming endeavors in the Pacific Ocean waters will be available via the automated hydraulic swim platform. Recreation aplenty, there is also no limit to leisure while on board. This yachting experience is made complete with unmatched onboard service, in addition to a customized bar, wine, and appetizer selections, making VanDutch the ultimate pampering hotspot.
